# DUAL LANGUAGE ACADEMY

# GOALS

The purpose of the Dual Language Academy is to:

- » Achieve academic excellence, strengthen biliteracy and cultural competence
- » Foster positive cross-cultural relationships and experiences.
- » Promote student leadership, self-confidence and valuable skills to compete in a 21st Century global workforce.
- » Support students in achieving the world language requirements for UC or Cal State University entrance.
- » Prepare students to qualify for the Seal of Biliteracy upon high school graduation.

# BENEFITS

- » Strengthens brain functioning expanding problem solving, creative divergent thinking skills, cognitive flexibility, and working memory.
- » Encourages students' confidence, motivation and favorable attitudes towards cultural diversity.
- » Provides access to a broader range of professional employment opportunities, locally and internationally.

# PRESCHOOL

This robust and rigorous dual immersion program provides core curriculum instruction aligned with the California State standards from **Preschool** in both, English and Spanish, at the following dual elementary schools:

- Jefferson
- King
- Lowell
- Monroe
- Pio-Pico
- Romero-Cruz

# DESCRIPTION

## 90/10 Model

The instructional model 90/10 is used at Jefferson, King, Lowell, Monroe, Pio Pico, Romero-Cruz, Carr, and McFadden.
