ATTENDANCE POLICY

The number one determining factor in a student's success is their time applied to learning. When they miss school they miss valuable learning. Spartans are personally engaged and go the extra mile.

It is the student's responsibility to be present and on time every day to each class. Following any absence, the student must bring a note written and signed by a parent/guardian to the Attendance Office before school. Parents/guardians should call the Attendance Office whenever a student is absent. Please telephone the 24-hour absence line:

714-567-3317

The Attendance Office is open every morning before school. If a student does not bring a note, or if his/her parent/guardian has not called, the absence will be unexcused and the parent/guardian will receive an automated phone call home from the District.

The State of California recognizes the following types of absences:

- **Excused/Illness**: Student illness, medical & dental appointments, and attending the funeral of an immediate family member (parents, siblings or grandparents). Please make every effort to made medical & dental appointments for after school so that the student will not miss out on instructional time.
- **Non-illness-excused**: Observance of religious holiday, court appearance, or family emergency.
- All other absences are **unexcused**. **Truancy** is an unauthorized absence from school or a class period (an absence without the parent's/guardian's knowledge or permission.)

The following measures will be taken if a student has three or more absences:

- Students will be put on a Daily Attendance Contract.
- Parents will be required to attend a S A R T conference at the school with:
 1. Attendance Technician
 2. Counselor
 3. Assistant Principal and/or
 4. Other personnel
- Parents will be required to meet with the district attorney (if the problem continues).
- The student and his/her parent/guardian will be required to attend a Student Attendance Review Board (SARB) hearing.
- The student and his/her parent/guardian may be cited to go to court. The court process may result in monetary penalties.

Please also note:

- After a student is absent three consecutive days, the student may be required to bring a doctor's note. Absences for reasons other than those listed above are considered unexcused.
- Teachers are not obliged to accept work from students with unexcused absences or truanancies.
- Unexcused absences may lower a student's grades due to work missed. Students are accountable for work missed due to absences.

WIN (What I Need) Program:

The WIN program will be held on Saturdays from 8:00 a.m. – 12:00 p.m. The number one determining factor in a student's success is the amount of time applied to learning. This program is designed to recover attendance for students who have missed a day of school and may also be assigned in lieu of suspension as a means of intervention. Students who do not meet the criteria may also attend the WIN program to receive support for a course, to explore topics that may interest them, or to enhance their overall learning and knowledge. Our WIN program is just one more way that we are working to support students in preparing for high school, college, careers, and life. Come join us for fun and instructive Saturday WIN.

TARDY POLICY

The school day begins promptly when the tardy bell rings at 8:15 a.m. Students who are tardy to school will report to the Front Office for a Tardy Slip.

Habitual tardiness will lead to disciplinary action which can include any or all of the following consequences: Administrative Detention, Extended School Day, Saturday School Program (WIN), Parent Conference, Student Study Team (SST) and/or Student Attendance Review Board (SARB).

SANTA ANA UNIFIED SCHOOL DISTRICT UNIFORM POLICY

In order to provide a *safe environment* conducive to learning and a college going culture a dress code has been implemented by all Intermediate Schools within Santa Ana Unified School District. At Lathrop, we are proud of who we are. The way we dress is just one way that we show that pride each and every day. Safety and Spartan Spirit starts with our attitude each day but is visibly modeled by what we wear and how we carry ourselves.

The Lathrop Intermediate School uniform policy is based on **Santa Ana Unified School District Administrative Regulation 5132**, which includes the basic expectations for good grooming and behavior (for example, clean clothing in good repair, shoes, no cutoffs, no distracting clothing, no ripped, torn clothing, etc.).

How we dress shows that we are Learning Ready.

Our Dress Code provides for:

- A safe and secure school environment.
- A learning mindset, rather than a fashion mindset. ☺
- School Pride. We are proud and capable Spartans!

This regulation does not allow:

- The use of obscene or gang-related gestures.
- The wearing of apparel or combination of items of apparel associated with gangs or other similar groups or organizations; **this will result in an administrative meeting.**
- The wearing of apparel with personalized names or nicknames, or other personal references.
- The wearing or possession of gang-related jewelry or accessories; and/or any style or manner of grooming which by the nature of its color, arrangements, trademark, or any attribute disrupts school operation:
 - is generally accepted as obscene or vulgar by the community at-large,
 - has reference to alcohol, drugs, other harmful or controlled substances,
 - displays offensive language or symbols (for example, words or symbols that portray images and/or are suggestive of sexual, racial, ethnic, or other similar references),
 - presents an imminent danger of injury to persons or property on or near school property or at school-sponsored activities,
 - is associated with a gang/group whose pattern of criminal or other anti-social activities causes the potential for the disruption of a safe, secure, and peaceful environment on the school campus or at school-sponsored activities whenever these activities are on or off the school campus.

LATHROP STUDENT UNIFORM AND DRESS CODE POLICY

All students are required to adhere to the Student Uniform/Dress Code Policy on a daily basis. WORDS TO LIVE BY...

The equation for success in school and life is fairly simple. And, we all know that Spartans prefer to keep things more straightforward and simple (though we do not run or turn from the difficult). If we all follow these simple rules we will have a successful experience here at Lathrop and beyond:

1. **Show up!** Be in school on time and every single day. 50% of success in school and life is simply showing up.
2. **Do the work, all of it!** The other 50% of success is doing the work, both classwork and homework. What we do does not have to be perfect. In fact, when we make mistakes on our work this is helpful for us as it shows us where we need to concentrate our efforts to assist you in your learning efforts.
3. **Be kind to each other!** Kindness matters! School and life can be hard enough. Over our experiences together here at Lathrop we will get to know each other fairly well. We have the opportunity to be each other’s best supports. This is much easier when we are kind with each other. We can and will sometimes have conflicts. If we work from kindness we can work through those more quickly and with more lasting positive results.

So, the equation for success at Lathrop and beyond is: Show up! + Do the work, all of it! + Be kind to each other! = Success

CELL PHONE POLICY and PHONE USE

Cell phones—many people have them. They can connect us to each other. They can be entertainment tools; they can be learning tools; they can be distractions. Remember, Spartans are **Learners First**. With that in mind...

CELL PHONES MUST BE TURNED OFF DURING SCHOOL HOURS, unless permitted by the teacher for class use.

Cell phones are permitted to be used off campus and when permitted by a teacher for class use. Improper use of cell phones will result in confiscation of the cell phone until the parent meets with an administrator. Taking pictures and/or videos is only permitted for instructional purposes with teacher consent. Any unauthorized use may result in immediate school consequences.

There are school phones located in every classroom and office on Lathrop's campus. School telephones may be used in emergencies under staff supervision. Only emergency messages approved by an administrator will be delivered to students. Please call (714) 567-3300 in case of an emergency and request that a message be delivered to your child.

Please be aware of the following:

- If a student brings any of the items listed above without written approval from the principal, the item will be confiscated.
- A parent meeting with an administrator is required in order to retrieve any confiscated item.
- Items not retrieved by parents by the last day of each month will be donated to a charitable organization.
- The school is not responsible for ANY prohibited items confiscated, taken or lost.

ATHLETICS

Lathrop Intermediate School offers students the opportunity to participate in an intramural sports program. Teams practice under the supervision of a qualified coach and compete against one another in games leading to District Tournaments. PARENT CONFERENCES

Parents are invited to schedule individual student/teacher/parent conferences before school, after school, or during teachers' prep period. Selected parent conferences are held in October. Parents may also contact teachers via e-mail. Contact information is listed on the school website. It is crucial that parents attend parent conferences when requested. Parents are partners in student success.

HEALTH INSURANCE

The Santa Ana Unified School District does not carry student health insurance on students for accidents occurring on campus. If you have no medical insurance, it is suggested that you consider purchasing accident insurance. It is inexpensive and available through many insurance companies in the community. Our Health Office may be able to assist you in finding an affordable insurance plan.

TEXTBOOKS

Textbooks are provided free of charge and students are expected to keep them in good condition during the year. Students will be expected to return all books issued to them in good condition and replace textbooks at their personal expense should they become lost or damaged. Each student must clear his/her textbook or library record before grades will be issued or school functions can be attended.

FOOD SERVICES

Lathrop Intermediate School is proud to offer the following food services to students:

- **Breakfast:** Served from 7:30 a.m. to 8:00 a.m. every day. All students are eligible to receive breakfast free of charge.
- **Lunch:** Students are eligible to receive lunch free of charge, or they may bring their lunch to school.

Items such as purses, wallets, watches, money, and articles of clothing which do not belong to you should be turned in to the Counseling Center. Items such as books, Chromebooks, notebooks, etc. should be turned in to the Learning Center. Students who have lost personal property should check to find out if their missing items have been turned in. Lathrop Intermediate School is not responsible for any items confiscated, stolen, and/or lost, or that are damaged.
