

WHAT IS THE INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAM AT SADDLEBACK HIGH SCHOOL?

The IB Diploma Program at Saddleback High School is a two year program for 11th and 12th grade students which helps develop the intellectual, personal, emotional and social skills needed to live, learn and work in a rapidly globalizing world.

Students report that their involvement with the IB Program has given them the tools needed to succeed in college. In particular, students comment on their sense of preparedness, self confidence, research skills, and their ability to manage their time.

SADDLEBACK HIGH SCHOOL

International Baccalaureate Diploma Program

HOW CAN THE IB PROGRAM BENEFIT ME IN THE FUTURE?

The IB Program benefits students in college and beyond, as it prepares students for college-level coursework, as well as creates competitive candidates during the college application process. Each graduating IB class has had a 100% college acceptance rate, including to Ivy League universities. Students who earn the IB Diploma can also receive college credit.

IB students work hard and put effort into their assignments, participate in class discussions/debates, respect other opinions with an open mind, stay organized, participate in sports and afterschool activities, and gain lifelong skills and knowledge.

WHAT IS THE IB PREP PROGRAM AT SADDLEBACK HIGH SCHOOL?

Saddleback High School offers an IB Prep Program for students in 7th-10th grade. The IB Prep Program helps students become familiar with the requirements of the program and gives students the skills they need to be successful in the program. IB Prep classes are taught by IB trained teachers.

IB MISSION STATEMENT

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding & respect.

IB LEARNER PROFILE

Students who participate in the IB Program strive to become:

Inquirers – They acquire the skills necessary to conduct constructive inquiry and research, and become active learners.

Knowledgeable – They acquire, and are able to make use of, a significant body of knowledge across a range of disciplines.

Thinkers – They exercise initiative in applying critical and creative thinking skills to approach complex problems and make reasoned decisions.

Communication – They understand and express ideas and information confidently and creatively.

Risk-Takers – They approach unfamiliar situations with confidence and forethought, and have the independence of spirit to explore new roles, ideas and strategies.

Principled – They have a sound grasp of the principals of moral reasoning. **Caring** – They show empathy, compassion and respect towards the needs and feelings of others.

Open-minded – Through an understanding of their own culture, they are open to perspectives, values and traditions of other individuals and cultures.

Balanced – They understand the importance of physical and mental balance and personal well-being for themselves and others.

Reflective – They give thoughtful consideration to their own learning and personal development.
