School Description

Welcome to Century High School!

At Century High School, we build on promising programs and integrate a vision for school improvement to prepare our students for college and career readiness. Our active Parent Groups, School Site Council, and English Learner Advisory Committee play an important role in our school. We are proud of the high level of parent involvement and support that Century's students and staff receive. The Century High School community accepts our responsibility to embrace new instructional practice and technology to raise student achievement. Parents and community partners are encouraged to visit our school, observe students and teachers interacting in the classroom, join us at school-sponsored events and find ways to support our students. Century High offers students opportunities to participate in four established careerthemed core academies. There are two California Partnership Academies: the E-Business Academy and the TEACH Academy. The E-Business Academy provides relevant project-based activities with rigorous academics for student through an integrated core and business/technology structured curriculum. Students in this academy develop virtual businesses, earn MOS certification, and compete in business and technology competitions. The TEACH Academy develops a strong foundation for college bound students who are interested in becoming educators and role models in their community. In this academy, students serve in our community as tutors, readers for children, and can complete up to three concurrent college courses. Century also offers the Academy of Engineering and Design, a Certified-level National Academy Foundation program that integrates the development of engineering skills and design concepts through the use of the Project Lead the Way curriculum. Students in this academy contribute to our solar powered race car, Unstoppable I, earn Solidworks certification, and utilize 3-D modeling programs and printers. The Academy of Digital and Media Arts is designed for students who have an interest in art, digital design and computers. Students develop an array of industry-level skills including Adobe certification, the use of collaborative software, and participation in competitions and community displays.

Mission Statement: The mission of Century High School is to provide for all students a safe, supportive and rigorous learning environment with high expectations and high academic standards.

Vision Statement: Century High School provides a learning environment, emphasizing both college and career readiness and student achievement through a rigorous Common Core standards-based curriculum, along with the support necessary for success in the 21st century.

District Profile

Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 56,000 students in grades K-12, residing in the city of Santa Ana. As of 2015-16, SAUSD operates 37 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 91% enrolled in the Free or Reduced Price Meal program, 60% qualifying for English language learner support, and approximately 12% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990.Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level				
Grade Level	Number of Students			
Grade 9	541			
Grade 10	517			
Grade 11	442			
Grade 12	383			
Total Enrollment	1,883			

2015-16 Student Enrollment by Group					
Group	Percent of Total Enrollment				
Black or African American	0.1				
American Indian or Alaska Native	0.1				
Asian	1.9

Two or More Races	0.1				
Socioeconomically Disadvantaged	98.8				
English Learners	30.1				
Students with Disabilities	13.6				
Foster Youth	0.4				

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

	Districtwide							
All Schools	99.3	0.7						
High-Poverty Schools	99.2	0.8						
Low-Poverty Schools	100.0	0.0						

High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Lowpoverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 11, 2016, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 16/17-3135 which certifies as required by Education Code §60119 that for the 2016-2017 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

Textbooks and Instructional Materials Year and month in which data were collected: October 11, 2016

Year Adopted	High School Textbook Publisher	Grades
	Mathematics	
2008	Pearson/Prentice Hall, Algebra Readiness	9-12

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven							
		Number o	f Students	Percent	t of Students		
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded		
All Students	11	399	387	97.0	34.1		
Male	11	193	191	99.0	34.0		
Female	11	206	196	95.2	34.2		

School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven						
		Number o	f Students	Percent	of Students	
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded	
Hispanic or Latino	11	387	375	96.9	33.6	
Socioeconomically Disadvantaged	11	390	378	96.9	34.4	
English Learners	11	78	71	91.0		
Students with Disabilities	11	48	46	95.8	2.2	

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2015-16 CAASPP Assessment Results - Mathematics Disaggregated by Student Groups, Grades Three through Eight and Eleven						
		Number o	f Students	Percent	of Students	
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded	
All Students	11	399	388	97.2	11.4

Female	11	206	197	95.6	9.7	
Hispanic or Latino	11	387	376	97.2	10.9	
Socioeconomically Disadvantaged	11	390	379	97.2	11.6	
English Learners	11	78	72	92.3		
Students with Disabilities	11	48	46	95.8		

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged and provided various opportunities to be engaged at Century High School by participating in various stakeholder groups, volunteering their time, attending school events, or sharing in the decision-making process. The school welcomes assistance in the classroom, library and/or media center on special days. Parents are always invited to help chaperone field trips. Century High School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts; these may include:

- The Parent/Community Center
- Monthly Parent Meetings
- Back to School Night
- Open House
- Student performances
- Fundraisers
- Career Day

- Sports events
- Promotion activities
- Student recognition assemblies
- Parent education training and/or workshops
- School Site Council
- English Language Advisory Council

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- District and/or School web site
- Public Service Channel 31 or 51
- School and/or Class newsletters
- Flyers and Letters
- School Marquee/Banners
- ParentLink Phone Calls
- New Student Orientations

Parents seeking more information about becoming an active member in the school community may contact our community resource representative at (714) 568-7429.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2015-2016 school year. Schools are required to forward updated safety plans after review to the District Office annually.

Suspensions and Expulsions					
School	2013-14	2014-15	2015-16		
Suspensions Rate	7.6	5.4	4.6		
Expulsions Rate	0.2	0.1	0.0		
District	2013-14	2014-15	2015-16		
Suspensions Rate	4.3	3.5	3.0		
Expulsions Rate	0.1	0.1	0.1		
State	2013-14	2014-15	2015-16		
Suspensions Rate	4.4	3.8	3.7		
Expulsions Rate	0.1	0.1	0.1		

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Social Science	23	22	22	20	27	27	42	40	40	1		

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Century High School places utmost importance on professional development for teachers. All teachers participate in a schoolwide plan to implement current instructional strategies that have been researched to work with all students. Staff development and collaboration at Century focus on the following areas:

- Training in Collaborative Conversations to increase students engagement with content material; 1.
- 2. Writing to Learn and Learning to Write instructional strategies in all departments to require that all students have the opportunity to write frequently.
- 3. Common Core State Standards Lesson design and instructional practice
- 4. Rigor, Relevance and Relationship Framework for school improvement.
- 5. Data-Driven Instruction - All teachers access student achievement data at the beginning of each semester and throughout the year, utilizing common assessments and benchmarks. In order to provide differentiation of instruction, teachers use a data system called Illuminate, and other sources to know their students ability levels, and to provide appropriate instruction, based on individual student learning needs.

During the 2015-16 school year, our Instructional Leadership Team along with the Principal planned the two Mondays each month for staff development and departmental collaboration.. Staff training topics have included: Academic Language, College Career and the Common Core, Rigor and Relevance, and Student Content Collaboration. Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on new textbook adoption training, curriculum, teaching strategies, and methodologies. In addition, training opportunities focusing on Language Arts Strategic and Intensive Intervention, English Language Development, Differentiation for Socio-linguistic and culturally-diverse students and for Special Education students. Other professional development provided includes GATE Training (Gifted And Talented Education), AP Training (Advanced Placement), SDAIE Training (Specially Designed Academic Instruction In English), and AVID Training (Advancement Via Individual Determination). The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program operated by district staff, that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period.

Types of Services Funded

In addition to general fund state funding, Santa Ana Unified School District received federal, state, and local aid for categorical, special education, and support programs, including but not limited to:

- After School Education and Safety (ASES) (Proposition 49)
- California Career Pathways Trust
- California Clean Energy Jobs Act (Prop 39)

Career Technical Education Programs

The SAUSD Career Technical Education (CTE) program offers cutting-edge, rigorous and relevant courses to prepare all high school students to be both college and career ready. To meet this goal, students have the opportunity to take an integrated sequence of CTE courses called a CTE Pathway that is focused on industry specific program of study over a two to four year period. SAUSD has continued to expand CTE courses to include a wide range of high-wage, high-skill, and high-demand careers is the areas of science, technology, engineering and math (STEM) pathways. We continue to focus on adding industry certifications and internship opportunities to many of our pathways. CTE courses and pathways are available to all high school students in the Santa Ana Unified School District.

CTE Pathways in Santa Ana combine academic rigor and real-world work-based relevance. Courses are aligned to both academic and CTE California State Standards with the main goal of preparing students for the workforce of the 21st century. To prepare all students to be both college and career ready, we have updated many of the courses to satisfy the "a-g" entrance requirements for the University of California (UC) and California State University (CSU) systems. In addition, many of our CTE courses offer articulated credit with local colleges that allows students to receive both high school and college credit for the course. Most recently, we have focused on offering dual enrollment community college courses in our pathways. Furthermore, we offer industry internships to students to apply theories and skills acquired in the classroom to an actual job situation, further solidifying a real-world experience. SAUSD continued to provide students to participate as interns in an exclusive internship opportunity at the prestigious JPL Laboratory in Pasadena. SAUSD was honored for the second year to have the only high school students who participated in this incredible opportunity.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
