School Description

Julia C. Lathrop Intermediate School (Lathrop Intermediate School) is located at the corner of S. Broadway and W. McFadden Ave. It serves approximately 970 students in grades 6-8. Lathrop Intermediate School students participate in a six period day. All students have one period of mathematics, English language arts (ELA), science, social science, and physical education. In addition, all Lathrop Intermediate School students have one period of an elective. The elective program consists of STEM, Project Lead the Way, Art, Spanish, Body Conditioning, AVID, PAL (Peer Assistance Leadership), Band, Orchestra, Language Arts Support, including Read 180, System 44, and Achieve 3000 and Math Support (AYD). Additionally, 1 day a week, Lathrop Intermediate School students participate in a College Preparation "Seminar" period lasting 30 minutes which emphasizes study skills, character building, and high school college and career planning to support continued academic success. Students are assigned to the same College Prep teacher for the 3 years they attend Lathrop Intermediate School. Outside of the normal school day, Lathrop Intermediate School offers additional support for students through extended hours of access to Lathrop's Learning Center, after-school tutoring, Saturday and Intersession Intervention Programs, the WIN program and the Engage 360° After-School Program.

Parental involvement and parent education is focused on the development of awareness and understanding of the educational processes. All parent activities are designed to establish transparent and credible processes for community and stakeholder involvement. School Site Council (SSC) and the English Learners Advisory Committee (ELAC) provide parents information that supports and emphasizes parent decision-making at the site and district level. Lathrop Intermediate School is well represented at the DAC/DELAC, LCAP District meetings, and the annual district-wide parent conference.

Lathrop Intermediate School is now in its 3rd year implementing the STEM Program, as the continued goal is to support the Project Lead the Way program, which allows students to take courses such as Medical Detective, Robotics, and Introduction to Computer Science to prepare them for participation in the STEM program, not only at Lathrop, but prepares them for high school STEM Pathways.

School Mission:

Lathrop Intermediate School is dedicated to educational excellence. Through a rigorous and standards-based curriculum, students are able to construct the academic and 21st Century Skills necessary for success in high school, college, and career.

District Profile

Santa Ana Unified School District (SAUSD) is the seventh largest district in the state, currently serving nearly 56,000 students in grades K-12, residing in the city of Santa Ana. As of 2015-16, SAUSD operates 37 elementary schools, 9 intermediate schools, 7 high schools, 3 alternative high schools, and 5 charter schools. The student population is comprised of 91% enrolled in the Free or Reduced Price Meal program, 60% qualifying for English language learner support, and approximately 12% receiving special education services. Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

District Mission

We assure well-rounded learning experiences, which prepare our students for success in college and career. We engage, inspire, and challenge all of our students to become productive citizens, ethical leaders, and positive contributors to our community, country and a global society.

District Vision

We will work collaboratively and comprehensively with staff, parents, and the community to strengthen a learning environment focused on raising the achievement of all students and preparing them for success in college and career

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

All textbooks used in the core curriculum throughout Santa Ana Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards based and approved by the district's Board of Trustees. On October 11, 2016, the Santa Ana Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 16/17-3135 which certifies as required by Education Code §60119 that for the 2016-2017 school year, the Santa Ana Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board, to each pupil including those enrolled in a foreign language or health course, and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9-12, inclusive, is available to pupils.

School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation.

Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds.

School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to get involved in Lathrop Intermediate School's learning community by volunteering their time, attending school events and sharing in the decision-making process. The school welcomes assistance in the classroom, Family Center, and Learning Center. Parents are always invited to help chaperone field trips, dances, and any other school events. Lathrop Intermediate School provides a wide range of opportunities for parents to interact with school staff while supporting their child's academic efforts. These may include:

- Program Verification
- Back to School Night/Open House
- School Choice Fair
- Classroom visits
- Parent Teacher Conferences
- Student performances
- Music/choir and/or theater performances
- Science fairs
- Sporting events
- Volunteer Opportunities
- Parent education training and/or workshops
- Promotion activities
- Student recognition assemblies
- Parent training and workshops
- Parent computer literacy classes
- Parent leadership academy
- Aeries Parent Portal Access workshops
- Parent meetings
- LCAP Meeting

The following campus organizations provide opportunities for parents to have input on curricular programs, activities, and the design of the School's Plan:

- School Site Council
- English Learners Advisory Committee

Parents seeking more information about becoming an active member in the school community may contact the Principal or Family Community Liaison at (714) 567-3300.

School-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed of school news, student activities, schedules, policy changes, and class curriculum updates including the following formats:

- ParentLink Phone Call System
- School website
- Flyers
- Letters
- School Marquee/Banners

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2015-2016 school year. Schools are required to forward updated safety plans after review to the District Office annually.

Professional Development provided for Teachers

All curriculum and instructional improvement activities at Santa Ana Unified School District are aligned to CCCS. Areas of focus for staff development are selected based upon student achievement data, LCAP goals, teacher input, CCSS, and professional development surveys. In addition to district-wide opportunities, after school workshops, conference attendance and pull-out training sessions have been implemented at the school site, in conjunction with in-class coaching, teacher-principal meetings, student data report analysis to support ongoing professional development at the school site.

All staff development activities provided by Santa Ana Unified School District are focused on increasing student learning and proficiency. During the 2016-17 school year, staff development topics have been selected by a combination of student achievement data, as well as a teacher needs inventory. Topics include: MAP Data Analysis, GATE and AVID Annotation methods, Positive Behavior Interventions Support, utilizing technology to extend learning (teacher website, Canvas, Google Classroom), DBQ (Document-Based Question) Training for Social Science teachers and effective teaching strategies.

Santa Ana Unified School District offers supplemental training and support for new and ongoing program implementation. Training activities take place throughout the school year, after school, and during the summer and generally focus on curriculum, teaching strategies, educational technology, and methodologies. During the 2015-2016 school year, district training opportunities focused on the following:

At the secondary level -

- Technology in the classrooms with Learning Innovation with Technology Department
- AVID Training (Advancement Via Individual Determination)
- GATE Training (Gifted And Talented Education)
- Special Education
- Data Analysis and Using Data to Drive Instruction
- PBIS Training

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff development. The TIPS Induction Program (Teacher Induction and Professional Support) is a state-approved program that offers additional support and assistance to newly credentialed teachers. All new teachers are assigned to a Support Provider (mentor teacher) and provided individualized support over a two-year period. More information about the TIPS Induction Program is available on www.sausdtips.org.

To support tenured teachers as well as new teachers to the district, Santa Ana Unified School District offers Peer Assistance and Review (PAR) which is easily defined as teachers helping teachers. Experienced and knowledgeable veteran teachers, referred to as Consulting Teachers, provide ongoing assistance to teachers who need to improve their instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/ teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Orange County Office of Education and courses offered by community colleges and universities. Classified support staff may receive additional job-related training from vendors, department supervisors, and district representatives. Counselors participate in professional development in order to keep up to date in areas such as Crisis Management, Restorative Practices, High School Readiness and College-Going Culture.

Teachers implementing Read180, System44, Achieve 3000, AYD-Academic Youth Development as part of English Language Arts and Math Support classes receive training and support to effectively deliver the specific curriculum.

Elective Programs: AVID Coordinators and administrator(s) receive training during the AVID conference and will provide AVID strategies to the staff; school-wide implementation of AVID strategies are presented and reinforced in core classes. Implementation of Project Lead the Way Program is in place to support the STEM program. STEM teachers and administrator(s) have received training and implementation strategies through the PLTW conference.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
