### School Description

Gonzalo and Felicitas Mendez Fundamental Intermediate School (Mendez Fundamental) is located at the intersection of North Bristol Street and West 17th Street in Santa Ana, California.

On April 1st, 2009 Mendez was recognized as a California Distinguished School. In 2013 and 2014, Mendez was placed on the Honor Roll by California Businesses for Educational Excellence (CBEE). These proud accomplishments are a reflection of hard work and dedication on behalf of staff, students and parents.

As a school of choice, students residing in the district's attendance boundaries are eligible for enrollment through a lottery system. Students attending a fundamental elementary school within the district and siblings of current students are given first priority for enrollment.

Daily class schedules fill an eight-period day. On Wednesdays, students attend all eight classes and on Monday, Tuesday, Thursday and Friday they follow a block schedule (80 minutes per period) with 4 periods per day. Math and language arts instruction are provided daily, as they are comprised of 2 periods each. The class schedule is available on the school's web site and in the student agenda.

### School Mission:

At Mendez Fundamental, a California Distinguished School, it is our mission to provide students with a rigorous learning environment that encourages high expectations for success through standards-based, student-centered instruction. We believe education is the shared responsibility of the student, parents, school and community. Together, we provide an academically rich, caring and supportive environment that promotes respect and motivates students to learn, to act responsibly, to monitor their own academic progress and to develop skills for life-long success.

## District Profile

Our district's schools have received California Distinguished Schools, National Blue Ribbon Schools, California Model School, Title I Academic Achieving Schools, and Governor's Higher Expectations awards in honor of their outstanding programs. In addition, 20 schools have received the Golden Bell Award since 1990. Each of Santa Ana Unified School District's staff members, parent, and community partners have developed and maintained high expectations to ensure every student's intellectual, creative, physical, emotional, and social development needs are met. The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high quality educational program. ## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs an electronic work order system enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Most of the school's repairs and maintenance projects are performed by the district's highly qualified, professional trade specialists. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. Day and evening custodians work closely as a team and with the principal for routine maintenance, daily custodial duties, and special events preparations. The principal and day custodian communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian, principal, and assistant principal inspect facilities for safety hazards, graffiti, and other conditions that require removal prior to students and staff entering school grounds. School safety and cleanliness are the custodians' highest priority and strongly emphasized as a component of their daily routines. Custodians are trained by M&O's administrators on proper cleaning procedures, use of chemicals, and use of equipment. The day custodians are responsible for following an established set of cleaning standards and prioritization procedures for general campus maintenance. The day custodian checks restrooms twice a day as a proactive measure in keeping facilities well stocked, safe, and sanitary. The evening custodians are responsible for thorough cleaning of classrooms, office areas, and restrooms. Groundskeepers are dispatched by the district office to perform general maintenance of landscaping, gardening, sports fields, and irrigation systems.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study
