

Geometry Honor Syllabus

Teacher: Macy Reagan

Room: 136

Email: macy.reagan@sausdlearns.net

Classroom Expectations

Within our math classroom, I expect students to:

1. Arrive to class on time, prepared, and ready to work.
2. Have all materials out on their desk and ready for class.
3. Be respectful when the teacher or a fellow classmate is talking.
4. Always try their best and ask questions.
5. Follow the new cell phone policy.

Supplies for class.

Each student is expected to bring the following to class:

- Loose-leaf graph paper
- Binder
- Agenda (Provided by the school)
- Pencil and eraser - **No work will be accepted in pen!**
- Scientific Calculator (optional)
- Colored pens/highlighters (optional)

Grading Policy

Each student's class grade is based upon a variety of in-class activities, homework assignments, quizzes, tests, and a final exam. **All homework must be turned in by the end of the week on Friday by 3:22 PM, otherwise it will be marked late. All homework for the chapter will not be accepted after the day of the test. Please make sure all homework is turned in by the day of the test by 3:22 PM, unless stated by Mrs. Reagan.** If you have questions, please ask! Students are encouraged to work together on their homework assignments, but all work must be each individual student's work. No copying or cheating homework will be accepted! All work is expected to be organized and easy to read.

There will be no make-up quizzes. If a quiz is missed, your test score for the corresponding chapter will become your quiz score. If a test is missed, test make-ups will be given 2 days after you return. It is your responsibility to talk with the teacher to schedule a make-up test.

Academic Honesty

All classwork, homework, projects, quizzes, tests, and final exams must be completed to the best of your ability. Although this is a tough class, please make sure that the pressure of this class does not force you into behavior of academic dishonesty. If behavior of academic dishonesty occurs, your teacher will contact the Assistant Principal and will have a conference with your parent/guardian.

Signatures due August 18, 2023. Please cut off the bottom and only turn in the signed portion.
