Principal's Address

Willard Familia,

This has been a tough year, with its ups and downs. The pandemic has taken a toll on us emotionally, but we have survived it and will continue to do the best we can. I have never seen scholars be so resilient as yourselves. Thank you for waking up every morning to log-in and making sure you get the education you deserve.

To our 8th graders, congratulations for being the most amazing human beings in this entire world. I wish you had a "normal" 8th grade experience. I know all of you will be successful in high school, graduate, and go on to become the professionals that will make a difference in our Santa Ana community.

To our 7th graders, THANK you for hanging in there. You will be our students' role models next year. Your positive attitude, behavior and willingness to succeed will be necessary next year to motivate our current 6th graders and incoming 5th graders.

To our phenomenal 6th graders, I am so thankful for your patience. Thank you for trusting our teachers and our staff. I can't wait to see you in person and embrace your positive energy.

The 2020/2021 school year has left us with lots of memories. Let's embrace them and look forward to a new beginning with new memories next school year. I wish you all luck for the 2021/2022 school year!

Con amor y cariño!
