The Board will consider information and public comment to determine whether the Contracts are in the best interests of the District and whether the anticipated cost to the District for energy or conservation services provided by the energy conservation facilities under the Contracts will be less than the anticipated marginal cost to the District that would have been consumed by the District in the absence of entering into those Contracts.

The public hearing will take place on September 8, 2020 at 6:00 p.m. in the Board of Education meeting room located at 1601 East Chestnut Avenue, Santa Ana, California 92701.

Testimony of all interested persons will be heard. Protests may be made orally or in writing. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities and defects to which the objection is made. All written protests shall be filed with the District on or before the time set for the hearing. The District may waive any irregularities in the form or content of any written notice and at the hearing may correct minor defects in the proceedings.
