Dear Certificated Bargaining Unit Staff,

I am pleased to inform you that the Board of Education has approved an extension of the Supplemental Early Retirement Plan (SERP) during tonight's Board meeting. This decision reflects our ongoing commitment to support our staff's financial and professional planning needs. I would like to extend my gratitude to the Board for initiating this extension and for their continued support in enhancing our staff's options and benefits.

We understand the importance of providing timely and relevant information to those considering this option. Please look for further details next week, as we will be sending an email with additional information to all eligible employees to assist you in making an informed decision.

Thank you for your dedication to our students and community.
