Posters on anime

(714-546-987)

The background features a dense collection of colorful hand-drawn sketches. On the left, there is a DNA double helix, a bar chart, a test tube, and a stylized rocket ship. In the center, a large green rectangular banner contains the word 'SCIENCE' in bold, white, hand-drawn capital letters. To the right of the banner, there is a laptop, a magnifying glass, a lightbulb, a globe, a mouse, and a book. The right side of the image is filled with various scientific symbols and equipment, including a pie chart, a flask with red particles, a beaker, a microscope, a leaf, a star, and a chemical formula C_2H_5 . At the bottom, there are more chemical structures, a leaf, and a book. The overall style is playful and creative, using a palette of red, blue, yellow, and black outlines on a white background.

SCIENCE

Sabella Lozano

If you are looking for a science teacher call: (714-876-2907)

This section is an identical copy of the top section. It features the same central 'SCIENCE' banner and surrounding scientific illustrations and symbols, including a rocket, DNA, microscope, globe, and various chemical notations.

Being a Social Worker Means...

You will never be bored.
You will always be frustrated.
You will be surrounded by challenges.
So much to do and so little time.
You will carry immense responsibility
and very little authority.
You will step into people's lives
and you will make a difference.
Some will bless you
Some will curse you.
You will see people at their worst~
and their best.
You will never cease to be amazed
at people's capacity for
love, courage, and endurance.
You will see life begin~and end.
You will experience resounding triumphs
and devastating failures.
You will cry a lot.
You will laugh a lot.
You will know what it is to be human
and to be humane.
