What is a Memory Brick?

"Memory Bricks" are pavers with personally engraved bronze plaques sold to students, staff, alumni, businesses, service clubs and community members. These pavers are incorporated into the "Memory Garden" at Santa Ana High School.

The Memory Garden is paved continually through Dollars for Scholars contributions. Located in front of Santa Ana High School, the Memory Garden recognizes your contribution in an area for the community to enjoy. Construction on the Memory Garden was completed in 2002.

When you become a sponsor your name will be immortalized in bronze and placed in the Memory Garden. You will be remembered always.
