COMPANY INTERVIEW RESPONSE  
Objectives of Central Orange County CTEp

**To provide students with:**

1. Individual counseling and guidance in career technical training.
2. A curriculum which includes skills training in occupational fields having current and future needs for such training.
3. An opportunity to acquire entry level technical skills.
4. Better CTE training and retraining when necessary.
5. An opportunity to achieve optimum benefits from the instruction program because of a favorable pupil teacher ration.

**PLEASE CHECK**

☐ I am willing to give this student a training assignment.

☐ I am unable to give this student a training assignment.

Central Orange County CTEp students may not replace an employee or cause employee hours to be reduced, nor shall student training preclude the hiring of additional employee. No student shall be paid for training services.
