# How to make Zoom work on your Chromebooks

STEP #1: Use the link your teacher sends you. Click on the blue button.
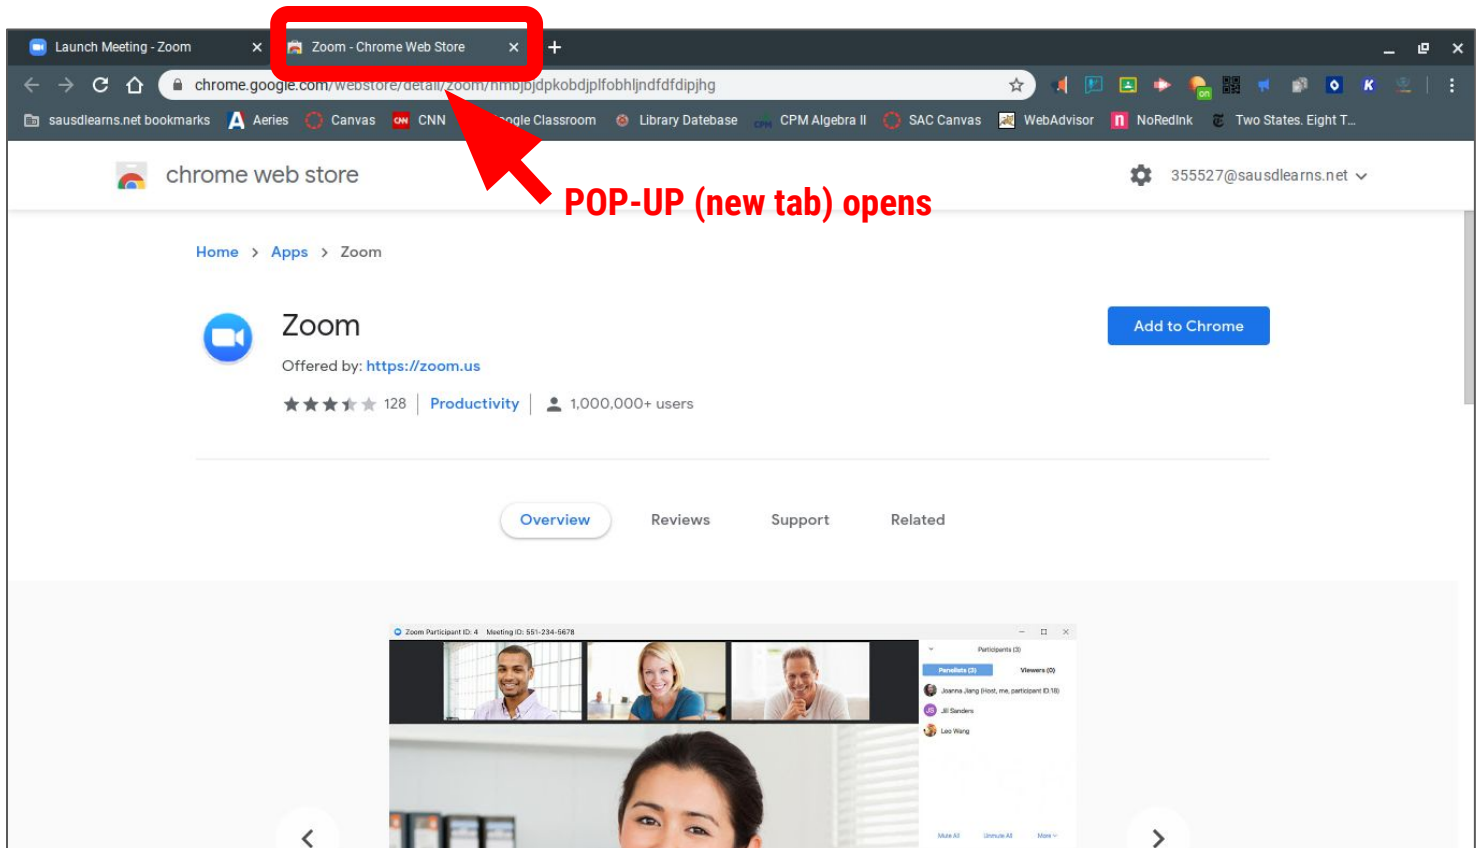

Your teacher will most likely send you a LINK, a 9 digit Session ID, and a 6 digit password.

When you click on the link your teacher sends you via email, you should see this window
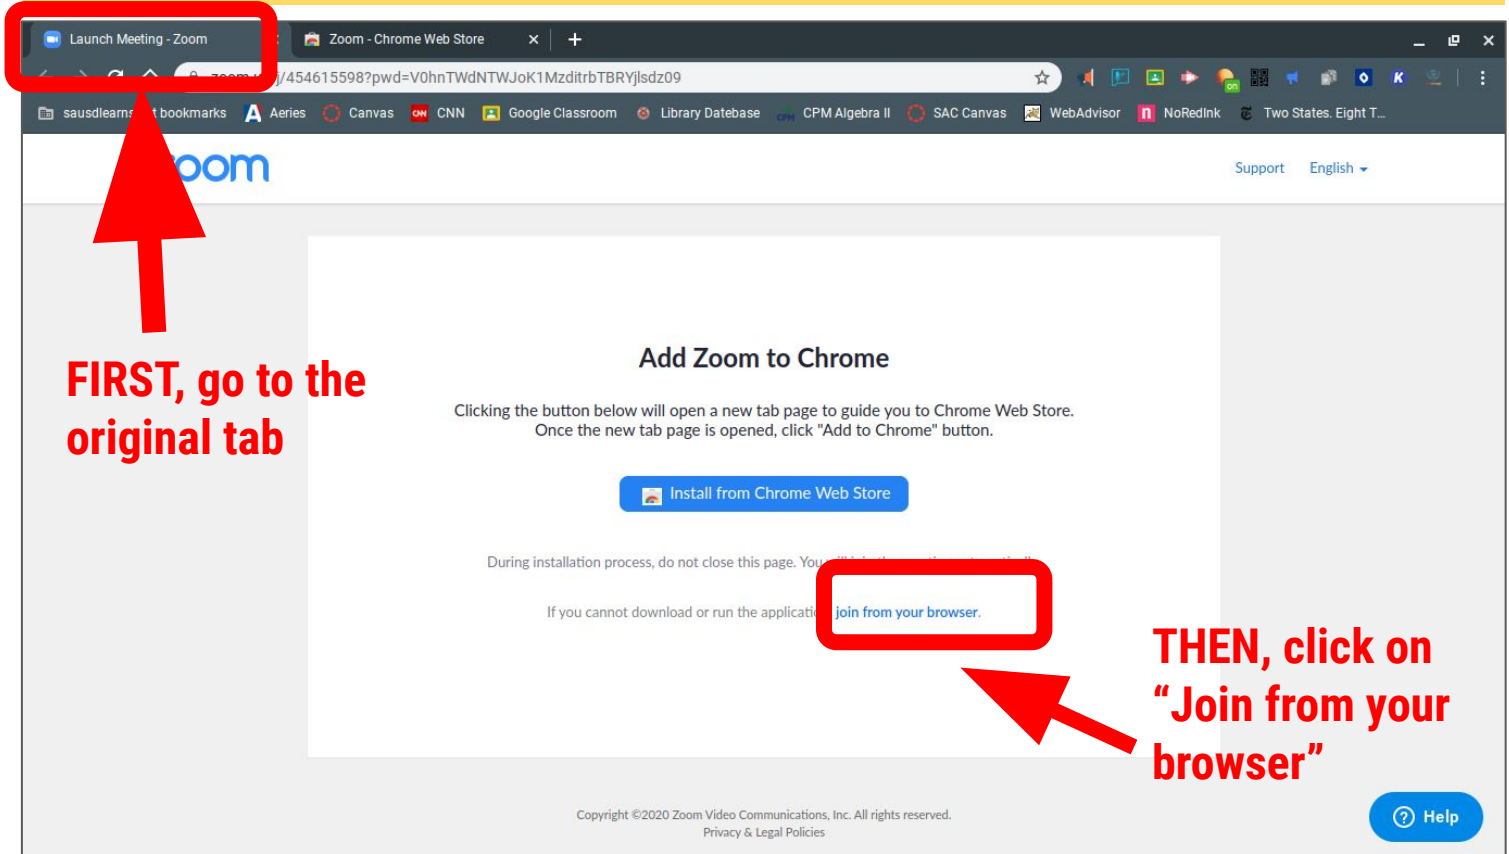

You don't need the 9-digit ID, but you will need the 6-digit password later.

Add Zoom to Chrome

Clicking the button below will open a new tab page to guide you to Chrome Web Store. Once the new tab page is opened, click "Add to Chrome" button.

Install from Chrome Web Store

During install... ...o not close this page. You will join the meeting automatically.

Click on the blue button.

STEP #5: You did it! Now, you will be able to join your teacher's zoom session and continue virtual learning!
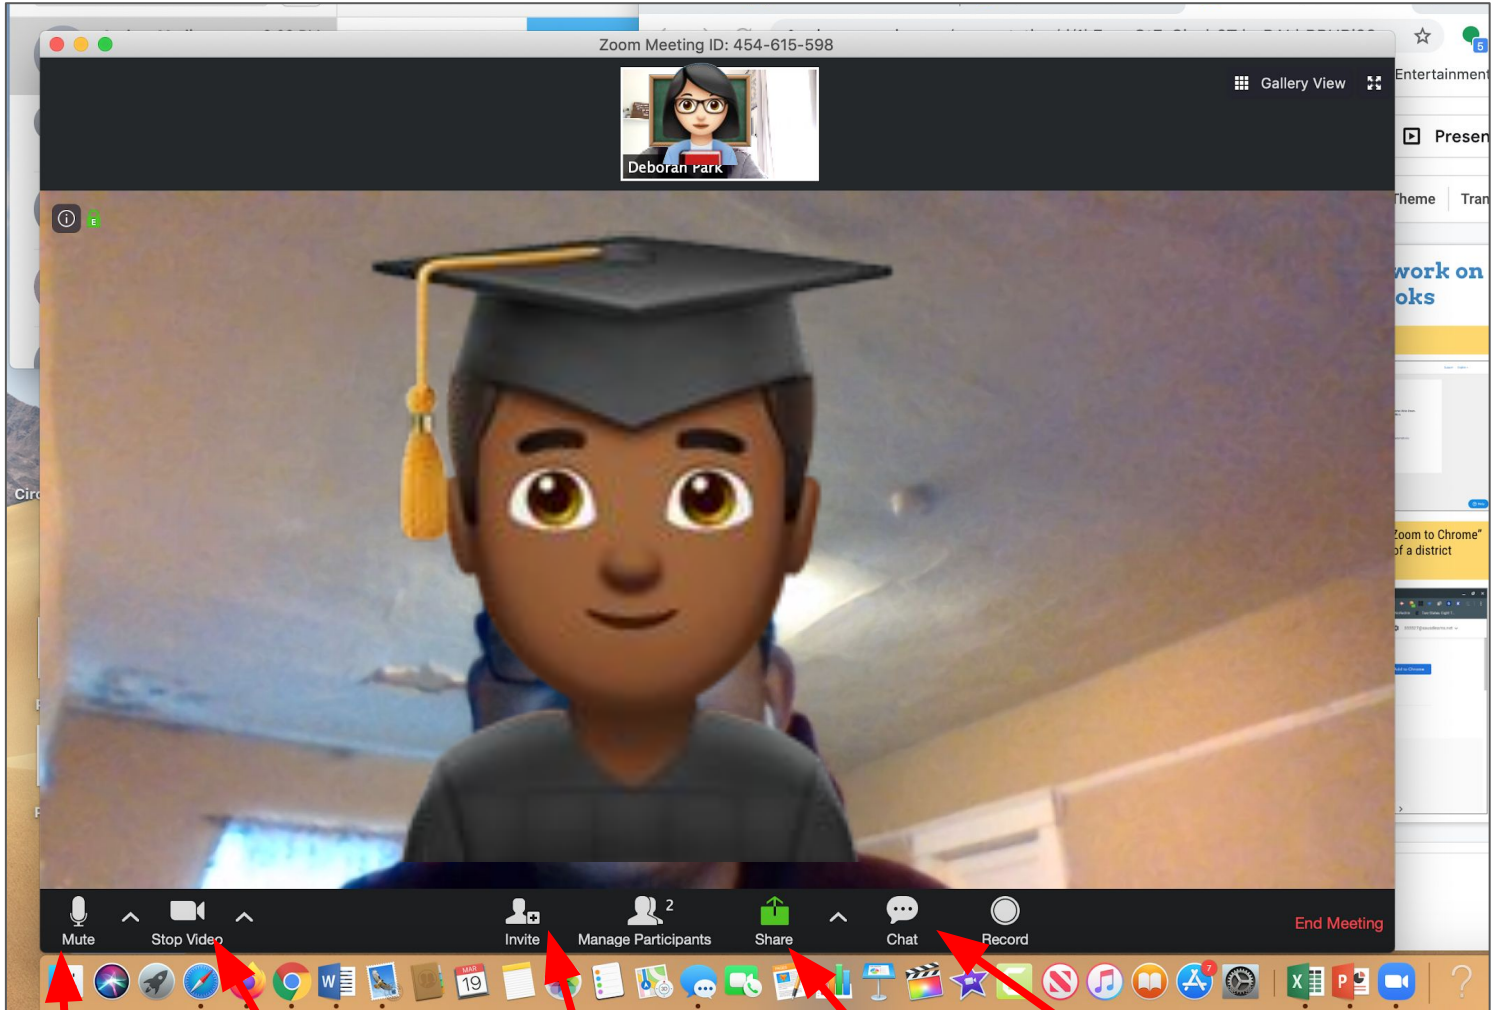

This will mute your mic.

This enables your camera.

Teachers, this allows you to copy-paste invitation links and information, as well as invite other students.

Share screens, use the whiteboard, etc...

Share links and message the group or specific people in the zoom session.
