Operation/Parking of Vehicles on School Property

Operation of Vehicles on School Property

No person will be given permission to operate a vehicle, motor or otherwise, or bicycle on the driveways, pathways or grounds of any Santa Ana school, except when such action is necessary to the operation or maintenance of the school. Vehicles may be parked by a fully licensed driver in an area so designed as a parking area.

Operation of vehicles and equipment is permitted for maintenance and service activities by City Parks and Recreation, Little League or Rancho Santiago College in accordance with joint use or rental contracts or use permits.

Parking of Vehicles on School Property

Parking of heavy trucks, trailer rigs, and other unauthorized vehicles is prohibited on school District parking lots as well as areas not designed for parking, or in any other location which could cause damage to asphalt, driveways, pathways, or grounds not designed to hold such excess weight.
