Student Enrollment for Impacted Schools

Student enrollment and waiting list priority for all impacted schools shall be made through a random, unbiased process, i.e. district lottery. An impacted school is one that has a higher number of enrollment applications than the school capacity.

Parents/Guardians shall enroll their students at all schools during the annual Open Enrollment period of January-February. Parents/Guardians shall enter their students into the lottery, during the open enrollment period or on a waiting list, through completion of designated enrollment forms provided at each site and/or Pupil Support Services. This procedure will also determine the student's placement on the impacted school's waiting list. District policy prohibits enrollment for any student based upon his/her academic or athletic performance. (Administrative Regulation 5116.2 contains information on wait list protocol)
