

What is a School-Parent Compact?

Our annual School-Parent Compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards.

Building Partnerships

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining us at some of the following events and programs:

- Free parent education workshops and presentations on topics including parenting, technology, drugs and alcohol, assisting your child in a crisis, giftedness (GATE) and suicide prevention.
- Free informational meetings on topics including college readiness, financial aid, athletics, and honors/AP course offerings.
- Back to School Night and Open House.
- Parent conferences with students' academic counselor, support staff, and teachers, including IEP meetings.
- School Site Council, English Learner Advisory Committee (ELAC), *cafecitos* and LCAP parent input meetings.

Communication about Student Learning

Segerstrom is committed to providing regular two-way communication with families about student learning in the following ways:

- Aeries parent portal and school website
- Six-week progress reports
- Parent conferences
- Telephone calls
- Messages through ParentSquare

Jointly Developed

Parents, students, teachers and faculty work together to develop and revise our School-Parent Compact. Meetings are held for parents, teachers, and students to review and revise this compact based on the school's achievement goals and students' needs.

Stakeholder input is taken to the School Site Council for review and approval. Parents are welcome to contribute comments at any time.

How to Get Involved

If you would like to get involved or volunteer at Segerstrom, please contact our Family and Community Engagement (FACE) liaison, Jennifer Anaya Sanchez at 657-549-4960 or Jennifer.anayasanchez@sausd.us

Academic Achievement Goals

District Goals

- Improve the academic progress of students with Special Needs and English Learners by increasing the percentage of students at or above the 50th percentile in MAP Reading and Math.
- Reduce D and F grades in math and English classes.

School Goals

- Increase rates of students earning A, B, and C grades in A-G classes.
- Increase rates of students who earn college ready or conditional status in English and math on the state SBAC assessment.

Area of Emphasis

Provide academic supports and inclusive academic instruction to improve student pass rates in A-G classes.

As a school, we will...

- Provide a challenging and rigorous academic program of high-quality curriculum and instruction with appropriate supports.
- Consistently implement fundamental policies and procedures.
- Communicate with all families and students and recognize outstanding student achievement.
- Reinforce and support the partnership among parents, students, and staff by creating welcoming environments.
- Show respect for all students, parents, staff members, and guests and serve as positive role models.

As parents, we will...

- Assist our students in achieving the required academic standards.
- Support fundamental school policies and procedures.
- Be responsible for our students' regular attendance and promptness.
- Know and enforce the homework policy and provide conditions that are conducive to study.
- Attend important school functions to support our students.

Jaguars ROAR!

As students, we will demonstrate...

Resilience by attending all classes and contributing to positive learning environments.

Ownership as we support the Segerstrom philosophy by following all fundamental policies and taking responsibility for our choices.

Achievement as we strive for excellence in academic work and complete all graduation requirements to be college-competitive.

Respect for all students, parents, staff and guests.
