

# Teacher Computer Cart Check-out Contract

## National Education Technology Standards for Teachers

1. Facilitate and Inspire Student Learning and Creativity
2. Design and Develop Digital-Age Learning Experiences and Assessments
3. Model Digital-Age Work and Learning
4. Promote and Model Digital Citizenship and Responsibility
5. Engage in Professional Growth and leadership

## National Education Technology Standards for Students

1. Creativity and Innovation
2. Communication and Collaboration
3. Research and Information Fluency
4. Critical Thinking, Problem Solving, and Decision Making
5. Digital Citizenship
6. Technology Operations and Concepts

Technology will be used to improve academic achievement and curricular goals. Lessons will include developing technology skills, including information literacy, ethical use of information and Internet safety skills, to support achievement of academic standards in the classroom, and attainment of 21<sup>st</sup> Century skills.

I have read the above NET Standards and will monitor electronic devices that are checked out to me to ensure learning and equipment condition. I will return equipment organized in carts by numbers and correctly plugged in.

\_\_\_\_\_ signature
