

MEET THE TEACHER

MISS PINTOR

ABOUT ME

Welcome to Math 6!

I am so excited to be your teacher this school year. I graduated from California State University Fullerton in 2021 with a BA in Mathematics and also received my teaching credential from CSUF. I have taught Geometry, Algebra 2, and Precalculus and this year I am thrilled to be teaching 6th grade math. My goal as a math teacher is for students to learn to appreciate the usefulness and power of mathematics, as well as enjoy math and develop patience and persistence when solving problems.

FUN FACTS

- I am a dog person
