2023-2024 School Arrival and Dismissal Procedure

Tips for a safe and positive drop off and pickup experience

- If **walking** to campus, use caution when crossing streets and use the designated pathways to enter campus.
- All students walking to school will enter and exit through the gate next to the MPR room.
- Gates will open at 7:30 a.m.
- Parents dropping off their students by **car**, can use the car dropoff and pickup gate in the back parking lot. Staff will be available to help students safely enter and exit cars safely, and help them get on campus.
- If picking up students by car please arrive a little later than your student's end time. We have a big campus and it takes time for students to arrive.
- If you have students with different pickup times, please plan to arrive at the latest pickup time. We have staff to supervise younger students while waiting.
- Parking is very limited on campus. If you need to visit the office I recommend coming before 7:40 a.m. or after 8:10 a.m. And before 1:50 p.m. or after 2:35 p.m. when parking is more available. Our office staff is always ready to help, and can be reached at 714 972-5700.
- The first week of school is always hectic. Please plan extra time to arrive and have patience during pick up.

Questions or concerns, please use the QR code below, or click on the [Safety Form Link](#).
